

Nativity BVM PREP Family Lesson Outline

Unit 7 “Kingdom of God”

April 2024

This Family Unit is for children in Grades 1, 3, 4, & 5.

Students in Grade 2 must complete the lessons in their First Eucharist Books.

Student in Grade 6 must complete the lessons in their Confirmation Books.

They do not need to complete Unit 6.

Alive in Christ is a "spiral" curriculum where certain core concepts or lessons are revisited and built upon over multiple grade levels. This means that children will encounter these core lessons in each grade, but with increasing complexity and depth as they progress.

By providing this outline, we hope that it streamlines PREP for your family while still teaching the specific grade concepts.

You have the option to either do the online chapter test or the chapter review in the book. If you choose to do the book pages, please take photos and send them to prep@nativity-bvm.org by the end of April. Each child needs to complete the test/review page for all three chapters.
