

# **Nativity BVM PREP Family Lesson Outline**

## **Unit 2 “Trinity”**

**November 2023**

Please share your feedback by emailing [prep@nativity-bvm.org](mailto:prep@nativity-bvm.org).

*Alive in Christ* is a "spiral" curriculum where certain core concepts or lessons are revisited and built upon over multiple grade levels. This means that children will encounter these core lessons in each grade, but with increasing complexity and depth as they progress.

By providing this outline, we hope that it streamlines PREP for your family while still teaching the specific grade concepts.

**You have the option to either do the online chapter test or the chapter review in the book. If you choose to do the book pages, please take photos and send them to [prep@nativity-bvm.org](mailto:prep@nativity-bvm.org) by the end of November. Each child needs to complete the test/review page for all three chapters.**

### **Unit 2: Trinity**

     **Before beginning** Unit 2 lessons, parents should read the *Our Catholic Traditions* section in each child’s textbook. This will help aid you in focusing on the main points in these three chapters.

Review the words with them- particularly the older grades have a lot of vocabulary. **Each** child needs to learn their own chapter's **Catholic Faith Words**.

\_\_\_ After they reviewed the **Faith Words**, have **each** child take turns reading aloud **one** of the **God's Word** sections in **their** textbook. Ask them to explain to you and their sibling(s) in a couple sentences what the passage means.

\_\_\_ After all the children have discussed **one God's Word** section in their own textbook, choose **one** grade and read the *People of Faith* section. Together discuss the question after the blurb on the Saint.

- Grade 1 *page 87*
- Grades 2-6 *page 93*

\_\_\_ In the **same** textbook, close the lesson by praying the *Let's Pray* at the end of the chapter together.
